#### HYLAN O. K.'S BILL FOR WATER SUPPLY

Amends Charter in Regulating Powers of Commissioner-City Can Buy Private Queens Plant.

Mayor Hylan to-day approved a leg dative bill amending the charter i relation to the powers of the Commis oner of Water Supply, Gas and Electricity for the supervision and contro private water companies and for the utaition of their property.

The bill provides that the Commisof Estimate, shall have power to selecand determine as necessary any piper, condults, or other portions of a water works distribution system and any water bearing lands, wells, pumping station and equipment or other Items of prop erty awned by private water company operating in whole or in part and in actual use by such company in supply-Ing water.

It is understood the legislation was enacted to enable the city to purchase, if it sees fit, private water plants in Queens because of exorbitant water ates. The city has repeatedly threatened to parallel mains of private com-panies in Queens with Catskill Aqueduct pipes. Under the bill the Doard of Estimate will have full power to acquire private water rights in this city it is access fit.
